Universities

Online MDP

### **IMIKolkata**

IMI Kolkata campus is centrally located in the city and equipped with state-of-the-art infrastructure, academic and residential facilities. The campus buildings are separated into an academic block and a residential block. The academic block is centrally air-conditioned with spacious lecture theatres, equipped with the latest audio-visual teaching aids and wireless laptops for learners to access the IMI Kolkata intranet. The residential block houses executive single-room-occupancy rooms, which are air-conditioned and fully furnished with modern amenities. The rooms are provided with T.V. and Internet connection to facilitate extended study hours for the learners. IMI Kolkata ranked 52 in the country as per NIRF ranking 2020 Ministry of Human Resource Development, Govt. of India.

### **ForeignCollaborations**

IMI Kolkata has over fifteen international collaborations, with some of the most reputed institutes of the world, namely IDRAC Business School, France, ESC Rennes School of Business, France, Kunming University of Science and Technology, China, Emporia State University, Kansas, USA, Universidade do Estado do Rio de Janeiro, Brazil, Sichuan Academy of Social Sciences, China, North South University, Dhaka, Bangladesh, UPEM, Universite Paris-est Marne-la-Vallee, France, Xunta De Galicia, Spain, Turku University of Applied Sciences, Finland among many others. These exchanges involve joint research activities, exchange of faculty members and academic personnel between both institutions, organization of conferences, short duration programmes and management development programmes and symposium.

### **Online Management Development Programme**

Looking to the present ongoing COVID-19 crisis, International Management Institute, Kolkata intends to use its off line expertise in providing executive education programmes to online learning. We have done successfully few online open programmes closed groups and now providing access to world-class executive business education to anyone, anytime, anywhere. Our online programmes are designed for effective learning, targeted at both individual professionals as well as corporate teams. These modules are taught by the faculty of International Management Institute (IMI) Kolkata with years of academic and industry experience.

The Online MDP of IMI Kolkata is an innovation in professional education that can help Organizations skill up individual and team talent. Relevant business education, pertinent to trending business needs is brought in a powerful, easy to understand, convenient, and flexible

setup.

Even though these are online but keeping the engagement as if it is like the Classroom.
